Smart Goal #4 By June 30, 2025,there will be an increase in school-wide parental engagement in academic and social events related to their students. Staff will introduce PBSIS to parents during these events which will enhance school climate and culture and ultimately improve our academic performance. This will be measured by the number of sign-ins and attendance at activities such as Back to School Night, Parent Conferences, Math/Literacy Night, and the Winter Concert, with a target of having at least 50 parents attending each event. |
