The Board has four main functions - policy-setting, providing for a program of quality instruction, effective management oversight, and two-way communication. Occasionally, the Board serves as a judicial body, hearing and determining such matters as personnel concerns and student disciplinary issues presented by the Superintendent of Schools.

PURPOSE OF BOARD MEETINGS

Board of Education meetings are held in public for the conduct of public business. Public business includes the presentation of reports, discussion of the recommendations of the Superintendent, and the adoption of formal resolutions as set forth in the printed agenda. The Board may enter into executive (closed) session only upon a majority vote of the members present for specific reasons prescribed by law, such as personnel matters, discussion of collective bargaining agreements, pending or anticipated litigation, etc. For a complete list, see N.J.S.A. 10:4-2 to 10:4-6.

In general, regular and special meetings of the Board of Education are open to the public representatives of the media. Effective conduct of the public's business requires that each Board member and the general public adhere to common rules of courtesy and meeting organization.

Lockers are the property of the Orange Board of Education. Inspections or searches may be carried out by School Administration or select district personnel at any time.

MONEY AND VALUABLES

Excess money and valuables are discouraged on school property. Parents/Guardians will be notified when money is required for special events. Students are responsible for all personal possessions.

PARENT-TEACHER CONFERENCES

The most expeditious method to resolve an issue relative to your child's schooling is to contact the classroom teacher. Teachers are the first line of response to resolve school-related issues. Building Administration then the Superintendent should be contacted if an issue remains unresolved.

Parent-Teacher Conferences will be held twice a year; in November and March; and on an *as needed basis*. The Building Principal will provide additional information relative to conference procedures and times. Parents will receive interim reports and notices if the student is in danger of failing. Parent/teacher conferences will be held in the middle of the 3rd Marking Period. At that time, the teacher will inform parents of the student's progress and offer suggestions. Physical, emotional and social maturity will be considered. RIGHT TO KNOW

The New Jersey "Worker and Community Right to Know Act" (N.J.S.A 34:5A-12 et seq.), effective August 28, 1984, establishes a comprehensive system for the disclosure and dissemination of information about hazardous substances in the workplace and the environment. Employers with a Standard Industrial Classification (SIC) code with major group numbers 20-39, 46-49, 51, 75, 76, 80, 82 and all state and local governments are covered by this act.

Pursuant to the Act, the Department of Health has adopted a Workplace Hazardous Substance List (N.J.A.C. 8:59-9), which includes 2,051 substances that pose a threat to the health and safety of employees. The Act also required the State Department of Health to develop a Workplace Survey. Employers are required to report on this survey the substances on the Workplace Hazardous Substance List that are present at its facilities.

The New Jersey State Department of Health requires that each Board of Education notify parents/guardians of any activity in the school building, which would involve the use of a hazardous substance. In order to comply with that requirement in the event that such a situation would exist, the Orange Township Board of Education will post such

notice on the bulletin board in the front lobby of the school and will also make printed information on the substance in question available to all parents/guardians.

SCHOOL LUNCHES AND NUTRITION

The lunch program is open to all students and utilizes a rotating lunch menu.

All Parents must complete a Lunch Program application. Approved applications for the lunch program automatically qualify a student for the breakfast program.

*****EACH AND EVERY CHILD MUST HAVE A LUNCH APPLICATION ON FILE WITH THE SCHOOL, REGARDLESS OF HOUSEHOLD INCOME. *****

School lunches will not be served on half days. Please send your child with a healthy snack.

HOT LUNCHES

The Orange Township School District serves well-balanced hot lunches every day. Please check the website for monthly menus.

PACKED LUNCHES

For students who bring their own lunches, parents/guardians are reminded that District schools do not have the capacity to allow students to warm up their food. Parents are not permitted to (or a delivery services such as Uber) deliver fast food to children during lunch, i.e. Burger King, McDonald's etc.

SCHOOL SAFETY AND BUS DRILLS

Fire drills, lock down drills, bus drills and emergency evacuation drills are serious and necessary exercises. State law requires that we conduct drills each month. These safety procedures have been put in place to ensure your child's safety in the event of an emergency.

Students must follow the posted procedures for exiting the building in each classroom. All students will be reprimanded should they exhibit disruptive/ inappropriate behavior during school drills.

SEARCH AND SEIZURE

We wish to provide students with a safe environment in which to learn. Toward that end, school administration retains the right to conduct searches of desks, lockers, or other property, including property owned by students on school grounds. School lockers remain the property of the district even when used by students. Inspections and searches may be conducted as often as may be necessary to maintain order and discipline and to protect the safety and well-being of the entire school community.

SOCIAL EMOTIONAL LEARNING

Social and emotional learning (SEL) is the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

Developing these core life abilities through social and emotional learning (SEL) is critical to a child's development, as it directly correlates to success and happiness as an adult. For many children, school is the only place where any deficiencies in these abilities can be addressed before they become active members of society.

Developing these core life abilities through social and emotional learning (SEL) is critical to a child's development, as it directly correlates to success and happiness as an adult. Combining these skills with academic development creates high-quality learning experiences and environments that empower students to be effective contributors in their classrooms today and in their workplaces and communities tomorrow.

STUDENT ATTENDANCE AND PUNCTUALITY

Daily attendance and punctuality are of vital importance to your child's educational progress and are mandated in New Jersey. All students are required to arrive no later than 8:25 am. Students who arrive after the above-mentioned time are required to report to the main office with a note of explanation which may include a doctor's note.

Students who are absent may not attend evening school functions. A student must participate in four hours of instruction to be considered present.

ABSENCES

Attendance is taken and recorded in Genesis daily. Students are expected to report to school each day that school is in session. Illnesses with a doctor's note, lack of proper immunizations, religious holiday, disciplinary action, or death in the family are considered excused absences.

CHRONIC ABSENTEEISM AND TARDINESS

The Board of Education, Superintendent, and staff recognize the importance of daily, punctual attendance to a student's academic success. We also recognize that parents/guardians must be an integral part of our efforts and the proposed procedures include parent/guardian involvement at each step.

Regular communication with parents regarding student absences/tardies is critical. The chart below outlines the procedures:

Number of Absences/Tardies	Procedure
Each day absent	A call home in the morning from the School Nurse to follow up on reason for absence
5	Letter from office
10	<ul style="list-style-type: none"> • Parent/child meeting with the principal during which an action plan will be created • Follow-up with written confirmation
15	<ul style="list-style-type: none"> • Parent/child meeting with Superintendent during which action plan will be reviewed and revised • Follow-up with written confirmation
20	Legal steps will be initiated - retention possible, referral to municipal court for truancy

Action Plan: An action plan may consist of strategies to be implemented at home to improve attendance and/or consequences. Consequences apply primarily to a tardy situation and will be determined based on the age of the child and the situation, but they may include missing , making up time after school (in the principal's office), or being denied participation in class trips or after school events.

1. A note is required from parent/guardian documenting the reason for the student's absence upon their return.
2. A note is required from parent/guardian in advance of an early pick-up (except in emergency situations).

MAKE-UP WORK

Students absent for three or more days may request make up/homework to be sent home.

Pupils absent for any reason must make up assignments, class work, and tests within a reasonable length of time. A reasonable length of time is considered to be within the same number of days missed.

Please contact the teacher(s) by 9:00 am to arrange pick up for school work and homework.

VACATIONS DURING SCHOOL

Parents/Guardians are asked to avoid family vacations during the school year. Parents/Guardians are required to submit a letter to the Building Administrators indicating the reason for and length of absence.

Teachers may provide a list of material to be covered during the absence and will not provide specific detailed work. It is not practical to provide detailed work assignments in the absence of instruction. Students are required to make up all tests and quizzes within 2 weeks of their return to school.

STUDENT CODE OF CONDUCT

Forest Street Community School faculty will utilize assertive discipline strategies to manage behavior: as no student will be allowed to negatively impact the educational process and/or environment for themselves or their peers. GUIDANCE COUNSELORS

The Guidance Office provides additional support to ensure that each student has a safe, positive, and affirming learning experience. Some of the services provided by the Guidance Office include:

- ☑ Individual and Group Counseling. Interpersonal and/or emotional difficulties can often negatively impact a student’s ability to succeed at school. In these circumstances, counseling is available as needed. Parents are encouraged to contact the Guidance Office when their child has a special need.
- ☑ Conflict Resolution Meetings. Student conflict is viewed as learning opportunities for students to acquire the necessary skills to prevent and/or solve future conflict. They, in turn, become role models for their peers.
- ☑ Behavioral Intervention Support. Behavioral intervention can be highly effective in modifying student behavior. Guidance is available in the development of intervention plans.

INTERVENTION AND REFERRAL SERVICES (I&RS) TEAMS

- ☒ Has a record of such impairment; and
- ☒ Is regarded as having such an impairment;

The purpose of the 504 Committee is to guarantee that an identified child is receiving an education comparable to that provided to the non-disabled student. The committee will formulate reasonable accommodations outlined in an accommodation plan, and will review this plan annually and tri-annually. The 504 Committee consists of a member of the administration, a member of the Child Study Team and/or school counselor, the school nurse, parent and a teacher.

The IEP team is required to review and develop the student's educational program annually. For this reason, it is vitally important that parents/guardians attend IEP meetings as scheduled. The IEP meeting is not meant to be a parent/teacher conference. It is designed to plan your child's program for a one year period. Any questions/concerns regarding your child's academic or functional performance in a given course should be discussed with his or her teacher immediately. Do not wait until the IEP meeting.
